Cut & Paste

Alphabet Sorting Activity

Included in the Pack:

26 letter mats (pp. 3-28)

26 letter sorting sheets with 2 on each page (pp. 29-41)

Purpose:

To help kids recognize letters in different fonts.

Instructions:

- Pick the letter mat you'd like your child to do. Print it and the letter sorting sheet that corresponds.
- Ask the child to cut out the letters and glue them to the mat.
- Talk about how different the letters can look. Use the words "uppercase" and "lowercase" when discussing.

Variation:

Kids who are ready can sort letters on two or three different mats at one time. The one thing I would caution is to make sure you pick letters that are *different visually* to avoid confusion for the child, such as Cc, Bb, and Zz.
