3. Animal

4. TV show

5. Actor

Answers

1. Strawberry Swing

2. Scarlet

3. Snake

4. Say Yes to the Dress

5. Will Smith

Directions + Scoring

Things you'll need:

1. Pen for each player
2. Category card for each player
3. Blank cards provided or scrap paper for each player
4. Timer
5. Letter dice (optional)

Directions:

1. Cut out all category cards and give one to each player.
2. With a dice or at random, choose a letter for round 1.
3. Set the timer for 2-4 minutes. (we often use 3)
4. Each person/team must think of an item that fits in that category. To the left is an example; using the letter S.
5. You may not use the same thing for more than one category. (i.e. "Sherlock" as both a boy's name, and a TV show. However one person writing down "Sherlock" as a TV show and another writing it down as a boy's name is acceptable)
6. Articles (a, an, the) do not count. (i.e. for a TV show, The Voice could only be used under V, not T)
7. For names, both first and last names can be used. (For the category Celebrities with the letter S, both Taylor Swift or Samuel Jackson could be used.)

Scoring:

1. Each unique answer counts as a point. If two or more people have the same answers for the same category, the answer is crossed out.
2. Answers like "Strawberry Swing" for song (letter S) or "Brady Bunch" for TV show (letter B) are worth two points.
3. The person with the most points at the end of all three rounds is the winner!
